

Global Healthcare with a Personal Touch

About Axios Lifesciences

Axios Lifesciences is a trusted pharmaceutical and nutraceutical company based in India, dedicated to delivering high-quality healthcare products to global markets.

By collaborating with leading manufacturers, we bridge the gap between reliable Indian production and international demand. Every transaction is built on compliance, efficiency and cost-effectiveness, ensuring our partners receive nothing less than excellence.

Our Mission

To make affordable, safe, and effective medicines accessible worldwide by building a robust supply chain that connects India's quality manufacturing with healthcare needs across both emerging and developed markets.

**WHO-GMP/GMP certifications shown in this catalogue apply only to our third-party manufacturing partners. Axios Lifesciences is not certified and bears no responsibility/liability for these certifications.
